

buck up and get working, or you'll never make it to the top...

Warning! Your invitation may expire if you leave this page. [Click here to sign in](#) so you can save your progress and resume later.

For a list of commands type **help**. To get started with your first challenge type **request**.

```
foobar:~/ guest$ request
```

You are about to begin a TIME-LIMITED challenge. You will have 7 days to complete each newly requested challenge or LOSE ACCESS to this site.

If you do not have time for the challenge now, you may [click here to sign in](#) and save your place so you can return later when you have more time.

Do you wish to proceed and start the timer on your first challenge?

[Y]es or [N]o: Y

Requesting challenge...

Next time Bunny HQ needs someone to infiltrate a space station to rescue bunny workers, you're going to tell them to make sure 'stay up for 48 hours straight scrubbing toilets' is part of the job description. It's only fair to warn people, after all.

New challenge "The cake is not a lie!" added to your home folder.

Time to solve: 168 hours.

```
foobar:~/ guest$
```
